24kg

A person is riding a bicycle on a paved path along a waterfront. The person is silhouetted against a bright, low sun, with their arms raised in a 'V' shape, pointing towards the horizon. The background shows a city skyline across the water, with several tall buildings visible. The path is paved with rectangular stones and leads towards the right. To the left of the path is a rocky shoreline and the sea. To the right is a stone wall and some greenery. The overall mood is one of achievement and freedom.

**NOW** IS YOUR TIME

# E-CITY

## Easy to use and efficient

With great autonomy, so you can always reach your destination and with a strong personality to move in style.

# E-BIKES MODELS

A man with a beard and sunglasses, wearing a checkered shirt, is laughing heartily. A woman with blonde hair, wearing a gold top, has her arms around his shoulders and is laughing even more, looking upwards. The background is a bright, modern interior with geometric lines.
